

Free AP Offer Qualification Rules

**Receive a FREE Aerohive AP with a HiveManager Online account
valid for 3 years, with no obligations!**

- Cannot currently be a paying Aerohive customer.
- Must be an IT professional with a valid corporate email address (i.e. personal emails such as Gmail and Yahoo are disqualified from this offer).
- Resellers, partners, consultants and distributors do not qualify for this offer.
- Recipient must reside in an Aerohive certified country.
- Company must have a wireless project planned and budgeted in the next 12 months, with 10 or more APs.
- If you're unable to accept a free AP due to restrictions, we will be happy to provide you with a trial AP, which can be returned following your evaluation of our solution.

This AP is intended for testing purposes only and the value of the AP cannot be used as a discount on any future Aerohive orders.

Limit one free AP per company. The first IT contact to meet eligibility from a company will receive the free AP.

Eligibility will be confirmed by an Aerohive representative before shipments are authorized.

These devices can be used as evaluation units for organizations who are unable to accept them due to restrictions and returned at any time to:
